KIMID A

MESSAGE

Another year has come to an end and another annual has been published.

The attempt the staff has made this year is to leave each of you with the memories of the past year. For future pleasure and reminiscing the staff has tried to capture some of the events that have occurred throughout

the year.

We have enjoyed preserving these memories for you, yet while working, we realize that no matter what amount of work we put into this annual, it could never be complete.

STUDENT BODY OFFICER ELECTIONS

Bimbo introduces the RED party.

Vern and Brent represent the WHITE party.

Candidates during election campaigns.

Voting was held at noon.

Here's Brent's last speech before death fell upon him!

It was a SOLEM occasion. I was DAN HUNTING all MALONE out WES and there I was caught in BOX canyon by a giant BUG with a STANGER. I thought I'd be SLAUGHTERed. So I GOTT my trusty ESLINGER and I STRADLEyed two rocks. I was nervous and my STROUTH was dry and my throat was BERNIE.

I reached down for a pebble but slipped in some REES. When I looked up the BUG was coming at me. I DODDS the STANGER and the BUG's breath made the AYERS PHILLIPS with DEPEW.

At once I spied a canoe on a CINDY beach. I GOTT in and MONROEd up the QUENELL filled with CROCKETTdiles. I jumped out and RON up the HILVERDA but stumbled over a STOUT STUMPF. I was WEEKS from running and my legs were SORENSON, so I decided to GOLAY in a field of POSEYs. I looked back and SHEEN the BUG coming. I yelled, "BLAKE off, BUG!" My ESLINGER was lost so I looked down, and lo and behold, there was a RUSTY WHITE gun beside a huge ROUNTREE with big green REEVES and SAPP all over it. But the POTLATCH on the gun didn't work, so I LUNDYed at the BUG and CLONTZed him on the BUTLER with a BILLY club. It gave him a big blue BRUCE. I put a full NELSON on the BUG but slipped down the HILDRETH and the BUG gained DROWN.

In the DICKSONce, a giant MOLYNEUOX pulling a CARTER CURRYed over the ELDRIDGE and MAKINTOSHed the BUG so hard, it HARPERed away on one leg and fell into a CLAMPITT. That MOLYNEUOX looked like a HOG. It was a very CUNNINGHAM. Then a white KNIGHT got out of the CARTER and ESCHED rotten ERGS on the BUG until it died.

I headed safely for HOMAN but that LOVEDAY I knew I had nearly pulled a BRONER.
